Verse:

Through the darkness
There comes forth a light
His name is Jesus
Our battle's His to fight
Champion of hope has come
Conquerer of death has won
King and Savior on You we lean

PreChorus:

You are all I need

Chorus:

So I will call on You
The only name who saves
Mighty overcomer
Hear this cry oh Father
I will call on You
In triumph and in trial
Awesome God I worship
None other deserving
I will call on You

Bridge:

You have overcome
More than enough
By Your love by Your blood
We are saved
You alone are King
We cry out we sing
Have Your way
In this heart rule and reign
