V1, PC, C, V2, PC, C, PC, C, C

## Verse 1:

Grace perpetually falling  
It's who You are  
Through faith we're counted as holy  
You've changed this heart

## Pre-Chorus:

Grace upon grace upon grace  
Your will toward us all  
And through faith we are saved  
Our lives reflect this cause  
You give grace upon grace  
And we give glory back to You

## Chorus:

You pulled us from the dark  
You strengthen our hearts  
Our hope is in the One  
You give grace upon grace

## Verse 2:

You give boundless compassion  
You've answered our cries  
We have witnessed Your glory  
Your grace shows in our lives
