

# Send Us Out [Lyrics, 75 bpm, 4/4]

[NHO Original] by Kamahao Fung

V1, C, V2, C, B, B, C

## Verse:

Enlarge our hearts  
And give us faith to believe  
We ask for grace to be the Church You long to see  
We choose to go  
To the ends of the earth  
With forgiveness through the cross call your children home

## Chorus:

Father send us out  
Jesus send us out  
Spirit send us out  
So the world will know Your love

## Verse 2:

Incline our hearts  
Shape us by Your Word  
May our lives display the beauty of Your Love  
We long to see  
Your kingdom come  
By Your spirit there is nothing that can't be done

## Bridge:

Stir it up in our hearts a holy passion  
We as Your Church we will go for You  
We sing together that the King is coming  
By faith we go in endless praise
